February 2016

Dear Member,

You are invited to the Annual General Meeting of the Cripley Meadow Allotment Association on **Monday March 14 at 7pm in St Barnabas School, Hart Street, Jericho**. Members of the committee will be there from **6pm to 7pm** for you to pay your subscription and answer any questions. Wine, soft drinks and nibbles will be available from 6pm. The AGM will start at 7pm.

Included with this letter are your invoice for 2016 and the agenda for the meeting. Last year the AGM voted unanimously for a 50% increase to our subscription. At the time we noted that the average cost of a 10 pole plot in Bath, Bristol, Brighton, Enfield, Hounslow, Richmond upon Thames, Swindon and York was £80.62! Our key deposit and working party commitment remain the same. Please note where a plot is shared the invoice is only sent to the nominated person but all key holding members have working party commitments so this is reflected in the invoice. Please make sure you let any plot partners know. Subscriptions are due on March 1st.

We use email to send the AGM minutes, Annual Report, Accounts and draft Budget. The draft AGM 2015 minutes have been on the web site and notice board since April 2015. If anyone cannot access the material please let our secretary, Claire know (contact details above). Please read and print only if you want to bring a copy for the meeting. We aim, as usual, to have the material on screen so we only print a few additional copies.

The AGM receives reports and accounts from 2015 and the officers/trustees and committee for the year beginning March 2016 are elected. The present officers and members of the committee standing for re-election will be at the meeting. If you have some time for voluntary work and wish to be nominated please let us know. To make a nomination or to propose an item for the agenda please send details, with your name, address and signature along with that of a seconder, to our secretary, Claire (contact details above). Nominations can be made at the meeting. Please note that items can only be put to the membership for voting if members have been notified in advance and our paperwork goes out in early February.

Our local councillor **Susanna Pressel** will attend. **Andy Howard** will be with us from 6pm selling and delivering fruit tree/bush orders. **Andy will give a talk on pruning fruit trees after the AGM business is completed, at about 8 pm.**

We have again volunteered for **OXCLEAN** when Oxford City Council provides refuse bags for us to clear the areas adjacent to the allotment site. This will be from **10.30 to 12.30 am Saturday 5th March**. Volunteering on this morning will be credited against your 2015 working party time commitment.

Most members reported 2015 to be another year of good crops and we hope you all got plenty of fresh local food, healthy exercise and contact with the land and seasons. Do come to the AGM and ensure we sustain Cripley Meadow as a thriving site. We look forward to seeing you at the meeting.

Yours sincerely,

Wendy Skinner Smith
