City Allotment Competition

Fist Judging is on Monday 7th

June and crop details should be sent to Wendy by then. I am showing the judges round but hasten to say I never take any part in the judging.

We have 5 individual entries and are entered for the site competition again. Please do all you can to make sure plots are numbered, headlands cut and weeds and rubbish removed.

Ady will be on site mowing over the weekend. We were however second so did amazingly well considering what we looked like just a few years ago. I have never seen the site look better. Well done everyone.
